# New Generation ULAFT Flat Top Cargo Trailer

Standard White

Standard Pewter

**SUPER LOCK™.** Screwless Exterior Aluminum system is unique to US Cargo. Lasts longer, looks much better, won't rust. The inter-locking aluminum panels are glued and mechanically fastened so that it doesn't show on the outside. LED lights inside and out add performance and aesthetic appearance.

Standard White

Six wide models and up have a double rear door standard. 5 wides come with single door due to size limitation. Ramp doors optional. All doors have double automotive bulb seals - locks out dust, moisture, and road grime for superior protection.

Steel belted radial tires with 24/7 Emergency Roadside Assistance, improved towing, safety, and performance means added value.

Standard Black

All models have DryMax™ Engineered Flooring, standard. These high performance engineered floor panels resist moisture and chemicals -will not absorb moisture, swell, warp or delaminate. Stronger and stiffer than plywood.
